ANDORRA NURSERIES, Inc.

Chestnut Hill, Philadelphia, Pa.

ANDORRA NURSERIES has maintained for 55 years a leading place among the fine nurseries of the country. Although our list of varieties is extensive, we have purposely eliminated those which do not develop to Andorra's Standard, and therefore cannot be offered for sale. This elimination makes it possible for us to unconditionally recommend the quality of the plants listed, and to guarantee all plants to be true to name, as well as being strong, healthy stock.

For all who are truly interested in fine plant material, we extend the most cordial invitation to visit Andorra Nurseries.
